INTRODUCTION

The Amur Bar Menu is an extension of the Far Eastern hospitality concept, where each signature drink reflects the unique personality of the region.

In our cocktails, infusions, and teas, we use local ingredients, and for connoisseurs, we present an impressive collection of rare and premium alcoholic beverages from around the world, which we have been collecting for 16 years.

In the Amur bar menu, signature teas hold a special place. They are not just an accompaniment to food or an alternative to classic teas, but independent gastronomic creations, where the nature of the Far East enters the picture.

Wild herbs, berries, and rare roots, everything that indigenous peoples have used for centuries, finds new expression in the recipes of our bartenders.
